Exhibition Product

[Reference exhibit] Electric single car carrier truck of hybrid type

《Overview of exhibition product》

This electric single car carrier truck of hybrid type is mounted on the Hino Dutro Hybrid, so both the environmental performance of loading and unloading on electricity, by using drive motor and battery of the hybrid chassis, and the easy operation have been realized.

In the electric drive mode, it realizes zero exhaust gas emission and reduced noise during operation because operation can be performed with the engine stopped.
