

## Notice of Exhibition at “The 45th Tokyo Motor Show 2017”

We, Kyokuto Kaihatsu Kogyo Co., Ltd. (Headquarters: 6-1-45, Koshienguchi, Nishinomiya-shi, Hyogo, Japan, President: Kazuya Takahashi - Special Purpose Vehicles Division, Environmental Equipment and Systems Division, Parking Division) will participate in the booth of the Japan Auto-Body Industries Association inc. in “The 45th Tokyo Motor Show 2017” to be held at Tokyo Big Sight from October 27 (Fri.) to November 5 (Sun.) in 2017.

This year, we will exhibit and present our two products, a single car carrier truck that has remained very popular among customers as a pioneer of a full flat type and a new press type refuse truck that remarkably improved the stylish design and basic performance which renews the image of the conventional garbage truck (scheduled to be released in this November), as a reference exhibit.

We are trying to strengthen our special purpose vehicles business further through publicizing our products in the show. We hope that you will come to our booth.
